# Landscape Design and Planning Four-Year Plan
## Landscape Design Track
For Students Officially Admitted to the Program in Fall 2012 or Spring 2013 Only

## Year One

### Fall Semester
- **First-Year Writing** .......................................................... 4
  
  You will be placed in one of the following:
  - Writ 1201: Writing Studio *
  - Writ 1301: University Writing
  - Writ 1401: Writing and Academic Inquiry
  
  * If placed in Writ 1201, you must also complete Writ 1301 to fulfill the first-year writing requirement.
- **Hort 1001: Plant Propagation** (Biological Science) ............ 4
- **LA 1201: Learning from the Landscape** (fall only) (Arts/Humanities; Diversity and Social Justice in the U.S.) ........................................ 3
- **LD&P Math Requirement – select one:** ......................... 3-4
  - Math 1031: College Algebra
  - Math 1142: Short Calculus
  - Math 1151: Precalculus II
  - Math 1271: Calculus I (prerequisite: Math 1151)
  (All meet Mathematical Thinking.)
  (May be swapped for LA 1301 this term.)

Semester Credits: 15-16

### Spring Semester
- **Chem 1015: Introductory Chemistry: Lecture**
  **AND** Chem 1017: Introductory Chemistry .................. 4
  
  (To meet the Physical Science Liberal Education Requirement, you must take both courses, either concurrently or consecutively.)
- **OR** Chem 1061: Chemical Principles I
  (Physical Science)
- **LA 1301: Introduction to Landscape Architecture**
  (Arts/Humanities) (May be swapped for LD&P Math Requirement this term.) .................. 3
- **LA 1401: The Designed Environment** (spring only) .......... 3
- **Liberal Education Requirement(s)** .......................... 3-8

Semester Credits: 13-18

## Year Two

### Fall Semester
- **ApEc 1101: Principles of Microeconomics** ................. 3-4
  
  **OR** Econ 1101: Principles of Microeconomics
  (Both meet Social Sciences and Global Perspectives)
- **Hort 1015: Woody and Herbaceous Plants** (fall only) ....... 4
- **LA 2301: Advanced Graphic Representation for Environmental Design** (fall only) .......................... 3
- **LA 3003: Case Studies in Sustainable Landscape Design and Planning** (fall only) .................. 3

Semester Credits: 13-14

### Spring Semester
- **LA 2302: Computer–Aided Representation for Environmental Design** (spring only) .................. 3
- **LA 3501: Environmental Design and Its Biological and Physical Context** (spring only) (The Environment) ... 3
- **Mgmt 3010: Introduction to Entrepreneurship** ............... 4
- **Liberal Education Requirements or Electives** .................. 6-8
  
  **Good term to take DES 3201:**
  Career and Internship Preparation for Design (1 credit)**

Semester Credits: 16-18

---

**See Reverse →**
## Year Three

### Fall Semester
- Arch 3711W: Environmental Design and the Sociocultural Context (fall only) (Writing Intensive) .......... 3
- ESPM 3108: Ecology of Managed Ecosystems ........................................ 3
- Hort 4061W: Turf and Landscape Management (fall only) (Writing Intensive) .......... 3
- LA 3001: Understanding and Creating Landscape Space (fall only) ........................................ 3
- Liberal Education Requirements or Electives ........................................ 3-4

**Good term to take DES 3201: Career and Internship Preparation for Design (1 credit) **

### Spring Semester
- Hort 3005W: Environmental Effects on Horticulture Crops (spring only) ........................................ 4
- LA 3002: Informants of Creating Landscape Space (spring only) ........................................ 3
- LA 3413: Introduction to Landscape Architectural History (spring only) (Historical Perspectives; Global Perspectives) ........................................ 3
- Liberal Education Requirements or Electives ........................................ 6-8

**Good term to take DES 3201: Career and Internship Preparation for Design (1 credit) **

### Semester Credits
- Fall Semester: 15-16
- Spring Semester: 16-18

### Year Four

### Fall Semester
- LA 3571: Landscape Construction: Site Systems and Engineering (fall only) ........................................ 3
- LA 4001: Sustainable Landscape Design and Planning Practices (fall only) ........................................ 3
- LA 4096: Internship in Landscape Design and Planning ........................................ 1
- LA 4755: Infrastructure, Natural Systems and the Space of Inhabited Landscapes (fall only) (Technology and Society) ........................................ 3
- Electives, if needed to reach 120 credits ........................................ 6

### Spring Semester
- LA 3204: Landscape Ecology (spring only) ........................................ 3
- LA 4002: Implementation of Sustainable Landscape (spring only) ........................................ 3
- Electives, if needed to reach 120 credits ........................................ 9

### Semester Credits
- Fall Semester: 16
- Spring Semester: 15

## Liberal Education Requirements Not Met by Program Requirements

### Diversified Core
- Literature

### Designated Themes
- Civic Life and Ethics *

*You are required to complete 4 of the 5 Designated Themes. With this track, 4 are already completed by major requirements; you are not required to complete this fifth theme.

### Writing
- Writing Intensive (one course, either lower- or upper-division)
