  (Historical Perspectives; Global Perspectives)
- LA 3514: Making the Mississippi .............................................. 3
  (spring only) (Civic Life & Ethics)

**Good term to take DES 3201: Career and Internship Preparation for Design (1 credit)**

### GOOD STUDY ABROAD TERM

### Semester Credits
- Fall Semester: 16
- Spring Semester: 15

## Year Four

### Fall Semester
- Ecosystem Pattern and Process Elective ........................................ 3
  (See your APAS for course options.)
- LA 3571: Landscape Construction: Site Systems & Engineering (fall only) .................................................. 3
- LA 4001: Sustainable Landscape Design and Planning Practices (fall only) .................................................. 3
- LA 4096: Internship in Landscape Design and Planning .............................................................................. 1
- LA 4755: Infrastructure, Natural Systems and the Space of Inhabited Landscapes (fall only) .................................................. 3
  (Technology and Society)
- Elective .................................................................................. 3

### Spring Semester
- LA 3204: Landscape Ecology (spring only) ........................................ 3
- LA 4002: Implementation of Sustainable Landscape Design and Planning Practices (spring only) ................................. 3
- Electives .................................................................................. 9

### Semester Credits
- Fall Semester: 16
- Spring Semester: 15

## Liberal Education Requirements Not Met by Program Requirements

**Diversified Core**
- Mathematical Thinking
- Physical Science
- Social Sciences
- Literature

**Writing**
- Writing Intensive
  (one course, either lower- or upper-division)
