

Hail! Minnesota
Minnesota, hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear.
Thy sons and daughters true
Will proclaim thee near and far.
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star.
Like the stream that bends to sea,
Like the pine that seeks the blue;
Minnesota, still for thee
Thy sons are strong and true.
From the woods and waters fair;
From the prairies waving far,
At thy call they throng with their shout and song;
Hailing thee their Northern Star.
—Truman Elwell Rickard

Jeremy Kalin

State Representative

State Representative Jeremy Kalin has anything but a typical political background. He has a Bachelor of Fine Arts degree from the University of Minnesota, with a ceramics emphasis. Before attending architecture school at the University of New Mexico, Kalin made his living selling his one-of-a-kind functional pottery and teaching high school and college.

Most recently before serving in the Minnesota House, Rep. Kalin worked as a designer and draftsman for Natural Spaces Domes, a local family-owned company specializing in energy-efficient geodesic dome homes.

Rep. Kalin serves as co-chair of the Green Jobs Task Force. He also serves on the Energy Finance and Policy, Local Government, Government Operations, Reform, Technology and Elections, and State Government Finance committees.

Jeremy Kalin was married on August 12 of 2007 to a wonderful woman he met on the school bus in 5th grade. The two reside in North Branch, Minnesota.

Representative Kalin can be reached by phone at (651) 296-5377 or by email at rep.jeremy.kalin@house.mn.

Candidates for Degrees

This program contains the names of College of Design students who have applied to graduate from fall semester 2007 through summer 2008. This is not an official University of Minnesota graduation list.

To graduate with distinction, a student must have a cumulative GPA of 3.75 or higher at graduation. To graduate with high distinction, a student must have a cumulative GPA of 3.90 or higher. Graduation with designated Latin honors (cum laude, magna cum laude, summa cum laude) is limited to students who participate in the College of Design's Upper-Division Honors Program. Students must complete at least two academic honors learning opportunities, a capstone project, and, in their last 60 University of Minnesota credits, maintain a 3.50 GPA for cum laude, a 3.66 GPA for magna cum laude, and a 3.75 GPA for summa cum laude honors. Candidates for academic honors are noted in this program.

ϕ Phi Upsilon Omicron is a national honor society recognizing and encouraging achieved excellence in scholarship, leadership, and service in the fields of family and consumer sciences founded in 1909 here at the University of Minnesota (the alpha chapter). Phi Upsilon Omicron members are denoted in the program with ϕ after their name.

Students graduating with the Community Engagement Scholars distinction have completed at least nine credits of service-learning coursework, at least 400 hours of community service, and a series of reflective pieces. They have also completed an integrative community project that results in the creation of a sustainable project for a community organization.
