Candidates for Degrees

This program contains the names of College of Design students who have applied to graduate from fall semester 2009 through summer 2010. This is not an official University of Minnesota graduation list.

To graduate with distinction, a student must have a cumulative GPA of 3.75 or higher at graduation. To graduate with high distinction, a student must have a cumulative GPA of 3.90 or higher. Graduation with designated Latin honors (cum laude, magna cum laude, summa cum laude) is limited to students who participate in the College of Design's Upper-Division Honors Program or the University of Minnesota Honors Program. Students must complete honors requirements, including a capstone or thesis project in their major, and, in their last 60 University of Minnesota credits, maintain a 3.50 GPA for cum laude, a 3.66 GPA for magna cum laude, and a 3.75 GPA for summa cum laude honors. Candidates for academic honors are noted in this program.

ϕ Phi Upsilon Omicron is a national honor society recognizing and encouraging achieved excellence in scholarship, leadership, and service in the fields of family and consumer sciences founded in 1909 here at the University of Minnesota (the alpha chapter). Phi Upsilon Omicron members are denoted in the program with ϕ after their name.

Students graduating with the Community Engagement Scholars distinction have completed at least nine credits of service-learning coursework, at least 400 hours of community service, and a series of reflective pieces. They have also completed an integrative community project that results in the creation of a sustainable project for a community organization.

Hail! Minnesota
Minnesota, hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear.
Thy sons and daughters true
Will proclaim thee near and far.
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star.
Like the stream that bends to sea,
Like the pine that seeks the blue;
Minnesota, still for thee
Thy sons are strong and true.
From the woods and waters fair;
From the prairies waving far,
At thy call they throng with their shout and song;
Hailing thee their Northern Star.
—Truman Elwell Rickard
