

COLLEGE OF
DESIGN
UNIVERSITY OF MINNESOTA

COMMENCEMENT

Saturday, May 16, 2011
Mariucci Arena

Hail! Minnesota
Minnesota, hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear.
Thy sons and daughters true
Will proclaim thee near and far.
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star.
Like the stream that bends to sea,
Like the pine that seeks the blue;
Minnesota, still for thee
Thy sons are strong and true.
From the woods and waters fair;
From the prairies waving far,
At thy call they throng with their shout and song;
Hailing thee their Northern Star.
—Truman Elwell Rickard

Mauro Porcini is Head of Global Design at 3M, Consumer & Office Business worldwide. Since 2002, he has managed 3M's design strategies and projects, leading internal teams based in the USA, Italy, China, and Japan and collaborating with a broad variety of renowned external partners. Working closely with the business and R&D leaders of 3M, Porcini's mission is to evolve and nurture the company's internal design culture leveraging their technology heritage and background to produce innovation and growth with a new experience-driven approach.

Porcini is regularly invited as a guest speaker and lecturer at major design and business conferences, universities, and events. He is co-author of the book *Vincere con le Idee – Innovazione Design Performance*. He is a member of the Advisory Council of DMI (Design Management Institute – Boston), the

Advisory Board of the International Child Art Foundation (Washington DC), and the International Advisory Committee of the European Center for Architecture Art Design and Urban Studies. He also sits in the Advisory Board of the German Company GTG GmbH.

Under his leadership, his teams have been recognized with several worldwide renowned awards, among them the Red Dot Design Award, the Good Design Award, the Selezione Compasso d'Oro, the IF, and the PLUS Awards.

Before joining 3M, Porcini founded and co-owned the design firm Wisemad SrL, where he led creative projects for clients in the technology, multimedia, and entertainment industries. His projects on smart clothing have been showcased at the Louvre Museum in Paris and in the Seoul Art Center. Prior to this venture, Porcini was a consultant for Philips Design in Milan, where he worked on wearable technologies. He studied product and strategic design at the University Politecnico of Milan and at the National College of Art and Design in Dublin. Since March 2010, Porcini has been based at 3M USA in St. Paul, with an office at 3M Italy, in Pioltello, Milano.

Candidates for Degrees

This program contains the names of College of Design students who have applied to graduate from fall semester 2010 through summer 2011. This is not an official University of Minnesota graduation list.

To graduate with distinction, a student must have a cumulative GPA of 3.75 or higher at graduation. To graduate with high distinction, a student must have a cumulative GPA of 3.90 or higher. Graduation with designated Latin honors (cum laude, magna cum laude, summa cum laude) is limited to students who participate in the College of Design's Upper-Division Honors Program or the University of Minnesota Honors Program. Students must complete honors requirements, including a capstone or thesis project in their major, and, in their last 60 University of Minnesota credits, maintain a 3.50 GPA for cum laude, a 3.66 GPA for magna cum laude, and a 3.75 GPA for summa cum laude honors. Candidates for academic honors are noted in this program.

Students graduating with the Community Engagement Scholars distinction have completed at least nine credits of service-learning coursework, at least 400 hours of community service, and a series of reflective pieces. They have also completed an integrative community project that results in the creation of a sustainable project for a community organization.
