Program and University Policies:

- **Program and University Policies:**
- **Students can take up to 6 course credits from any graduate level course offered at the University (5XXX and above), so long as it relates to your dissertation research and your advisor approves of the selection. The course(s) do not need to be part of the official HFE curriculum, and do not require formal DGS approval.**
- **The balance of credits may come from any category on the course list. To ensure students receive *interdisciplinary* exposure to multiple perspectives, they must select courses (excluding statistics and experimental design courses) from at least three different departments.**
- **A maximum of 9 credits may be taken at the 4000-level.**
- **Requires 36 course credits, plus 24 thesis credits, for a total of 60 credits.**
